Newark Eagles
Newark, N.J.

Dear Mr. Manley,

Received mats and flowers. They are already out, will be followed with hand bills and radio. Local Daisy is also carrying ad and story. Expect capacity crowd.

Mr. Manley I didn't know of your offer until I saw Paul in Raleigh, but feel that 20% of net and concessions is more than fair. Have never promoted ^{even this} small percentage before. We will adjust that here.

Do you want me to find place for teams to stay and eat? If so let me know when you will be here and how many, also how long you'll stay. Let me know if you're bringing balls. Am printing tickets here. Will secure umpires here. Please send check for \$25.00 to turn on lights by Tuesday, ~~unless~~ you send me the line up of both
